“ Marvin was a good friend and I have too many memories to share here. I remember him as a person that would help a friend, had a big smile warm smile on his face and a good joke to tell. Played basketball with him and he tried to teach his outside shot but never got the hang of how he did it. I will miss my friend and my condolences to his family. He is in a better place today and one day I know that I will see his smiling face again. Thank you for your friendship. David Cole
