“ *It is with my deepest sympathy to send words of comfort and blessings on the passing of your mother. Her life should be celebrated for all her tributes to Charleston, society and to her family. Although she will not be physically present, you will always love her and keep her memories in your hearts.*

To Johnnie and Roy Major, I'm visiting my brother in Mt Pleasant and just read about your mother. It was too late to attend her funeral services. But you know that we have 55 years of friendship and I wanted to show my respects.

Your friend & classmate,
Rose Meyers
