“ Sincerest prayers and condolences to the Mary Nichols family. We met "Mo" in 1996 when we moved to Charleston. She graciously allowed Dee and I to live with her in her beautiful home on Rutledge Ave and we stayed with her for two years before we moved to Goose Creek. She cooked her famous shrimp n grits for us at least once a week and one of our fondest memories was when she traveled with us for a vacation in Hawaii. That connection forged a close friendship not just with her but also with her immediate family who also accepted us as family. We never lost contact and maintained an unbroken connection no matter where she was.

“ *Jacquee, Rosie and Family. We were blessed to share many beautiful times and memories with your mom. We shall hold and cherish memories in our hearts of the graciousness in which Mrs. Mary shared wisdom to encourage us, love she communicated as a forever friend of our family, how impeccably she was dressed every time we were in her presence, the care and travel you and her family lovingly gave her as her life and health required after relocating to Maryland and most of all, the love her daughters returned to her that matched the love she gave them in their younger days. Our thoughts and prayers of condolence are with you at this difficult time. Nick, Myrtis, Nicole, Monica and Nikea Brame*
