“ I would like to extend my deepest sympathy to the family of Mary Rose in her passing. But I know she is now in Heaven with our Heavenly father! I had the previledge of having her as a friend for 32 years and singing with her in our church choir at St. Thomas the Apostle Catholic Church in North Charleston. We usually rode to church together until my husband died and I moved to be with my sister in Kirkland, WA in 2007. We would talk on the phone from time to time to keep in touch after that. Mary and I shared a love of flowers and gardening. I knew many of her children and felt like I was a part of her family.
