Dear Robin, and Family, I was searching the internet to find your current contact information. I am devastated to learn of Michael's passing. I can't imagine what sorrow you all have experienced. (I lost my younger sisters in 2014/2017 to cancer; and my Mom, who lived with us, in 2021 to old age-101.)

I have saved all the cards you sent us over the years, and I read them again each Christmas. Please reach out to me on Facebook, or email me at linjn316@charter.net.

Sending prayers and hugs your way.

“ *Robin et al., who love and cared for my friend, I issue my most sincere condolences. He was always a constant reminder of what friends are capable of being, in the real world -- Always honest; Always helpful; Always there. The love he had for you and the children was never questioned and yet he found time to be a full-time, great broadcaster. I missed him when he left Shreveport and when I saw him at industry events after he left, it was like "yesterday." I will miss him dearly. May God continue to shine on you and all those who loved him. Chixo Gibbs*
