“ Sending my sincere condolences to the family. She was Aunt Mildred to everyone that came in contact with her. Always kind and respectful. Her sense of humor was unmeasurable and her gift of memory is enormous. Family I pray that you kept record of all stories she shared. Aunt Mildred you lived your life, now take your walk on those golden streets and open your eyes widely and see Gods creation. You will be forever missed.

“ I will miss my aunt and remember the times we shared together in New York. Times that she was more like a mother to me than an aunt. She would tell people that I was her daughter since she didn't have children of her own I was fine with that. It also made me feel special that I had 2 Moms. Although there was physical distance between us the love remained. Rest well Dear Aunt/Mom. Love always Briela
