“ Nat was such a wonderful person. I worked at Courtney Elementary many years ago as a teacher assistant in the first grade. Nat took time to help each of us with whatever we needed to improve our skills. When it was time for us to continue our education he stuck with us through the years until we became teachers. He was instrumental in helping us with career chooses & always was there when we needed him. He will be missed by all of us. I will truly miss my friend & mentor, Nat. Rest in Peace my friend.
