“ I taught Noah in first grade. He had the brightest smile and sweetest heart. I could tell he was a great athlete and he loved everyone around him. Sending prayers and hugs to his family and those who had the privilege to know him ❤️

“ I was Noah's kindergarten teacher. He is one of my all-time favorite students! He made me proud every day! He made me laugh every day! Every afternoon at dismissal he requested Michael Jackson for the class dance time! He brought us so much joy with his dancing and personality! My life is better having known you. The world was better with you in it. Heaven is now better because of your presence. We'll enjoy another dance party together one day. Love ya dude - Mr T
