“ I was so sad to hear of the passing of "Octie" and send my prayers and condolences to her family and friends. I knew her from working in the office with her in Charleston. She was always pleasant and helpful, and I remember how proud she was of Alexis, her daughter. I used to check in with her to see what good fruits or vegetables she had picked up at the Vegetable Bin, where she often walked at lunch. May you find comfort that she is now resting in peace.
