“ *My heart is deeply broken he was always my angel long before God gave him his heavenly wings he took care of me over 50 years ago when I was sick when I used to come and visit and I have never forgotten that I am so glad that I came home and was able to see him as one who just went through this recently I can tell you to take one day at a time some days are better than others but you can and will get through it know that I am praying for my family for me this is not goodbye it's merely I'll see you later his work down here is done and God has given him his wings to return to the flock he is gone but never forgotten as we will continue to carry him in our hearts each and every day I know I forever will because I love me some him forever grateful that he gave true meaning to what family should be he never just talked about it he lived it. “*Bro. Oliver Blunt !! OMG- God makes no mistakes. You will be missed at New Cannon St. Baptist Church. Thank you for being the voice and backbone when you needed to be. It makes my heart hurt to even know that Mrs. Sheila and those 3 girls will be without you. Your entire family, your church family and many friends are hurting but THANKING GOD for the life you lived. Not a selfish bone in your body and it was appreciated. My hope is built on nothing less Mr. Ollie. You were a "SOLID ROCK"!*
