“ Paul and I started practicing medicine in Corpus Christi about the same time. We shared many patients over the 25 or so years. He was a great doctor, a good personal friend, and my ophthalmologist. He is missed in the community and I miss him.

“ *Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.*
