“ *Donald and Ann Jenkins
I have know Paul for 60 years during that time we laughed, argued, ate crabs until we were tired of eating. He cooked the best crabs ever, I always said to him "we should open a restaurant serving only crabs. Paul lived life his way, making no excuses along the way... He had a kind and loving spirit. Paul you will be terribly missed but the memories we created will last a lifetime. Paul's journey on earth has ended but his heavenly journey has just began.*
