“ To Myron and the Jenkins family. I send my sincere condolences on your loss. I worked with Phoes at Legal Services. She was always helpful and made time to answer my questions. Phoes was a serious, and funny person. I have missed working with her these past years and until she got sick, we would keep in touch. I now will miss her smiling face and humorous wit. May she sleep in peace. God Bless you. Connie Simmons, Beaufort, SC

“ I will never forget my cousin, my close friend from our childhood days and my college roommate. She was courageous, fiery - yet loving and understanding. She marched in the lunch counter demonstration in Columbia back in the 60's. A gifted teacher of social studies who was a walking history book. I missed our long telephone talks. “ I will always remember Phoebe. When I was hired at Legal Services, she was one of the first to greet me with a smile and welcome me. When I would talk with someone from the office in Charleston, I would always ask about her. You will be missed. Gwen Hall
