“ *There are no words to say how sorry I am that I was not there. Rebecca was always there for me. I remember the first time I met Rebecca. She was at my house when I turned 5 or 6 years old. My mother hired her to take care of me because she was going to be returning to work. I fell in love with Rebecca right away. She taught me many many things about life and love. I will hold her in my heart until we are together again. She took care of me for 9 years, I love you Rebecca, your girl, Laurie*
