“ *It's always better late than not at all. I just heard about our beloved friend. I do pray that the lord keep each of you in these last days, for she's gone on home to be with the Lord and now it's our time to get it right so we can meet her again one day. To be absent from the body is to be present with the Lord and that she is. May God forever keep each of you until we meet again . Barbara Grant Jackson.*
