Sending our heartfelt condolences to Carrie Belle and the entire Jamison and Wright families. We will always cherish all the fine memories Bobby established with us and the community. Our lives will never be the same without him. The warm and concerned conversations were often shared with us. Bobby had a heart for people. He loved and cared for so many out there. Family, please be encouraged, knowing that God will give you the strength to go through this difficult time. We are with you because it not easy for us. "Weeping may endure for a night but JOY comes in the morning", Rest in Peace! We LOVE you but God loves you best!
