“ I was saddened to learn about the passing of Robert Lee. Thanks Julie for calling Calista to let us know. Robert was a unique character, and I have many memories of him from my years living on Dunneman Ave. One of my favorites was when a friend of mine came to visit driving an unusual car. Robert said to me "It's a Checker cab", and indeed it was an old New York City Checker repainted to look like a sedan. I was impressed and I asked Robert if he hadn't been to New York how he recognized it. He said he'd seen them on television. Robert was a collector of things and I realized he paid keen attention to the world around him.

*Robert Lee had a smile that could make you forgive him anything.
God bless him.*
