“ *I was very young so I don't remember too much. But I remember Mr Wine picking me up in his van to take me to and from school. He was faithful to his job of tending to the children of the community!!!! May you Rest In Peace.*

“ We attended school together. You played Football, and your classmate did three years of Basketball at Burke High School - Class of 1966.

Amazingly, you were my homeboy hero. You stayed local and became "a hundred-naire."

When asked "Had you made your millions or billions?" You would whisper shyly, "Keep me me local. Hundreds is as high as I want to count. If it gets more than that, might get the big head."

Your serving my family as personal chauffeur is a well-respected memory to my children and grands. You enforced/reinforced their survival skills: be on time for all appointments by 15 minutes - "Be ready-waiting for me 10-15 min before I arrive. That way you won't forget anything;" make people glad to serve you by greeting them with a smile and a cheerful greeting; be on your best behavior always; no eating/drinking in the car; keep your hands to yourself; keep my car clean; make me glad to talk to you in public.

Your entering the ministry is very special. Am truly humbled in the LORD's use of your peers assisting with your calling. A genuine Acts 16 encounter.

Grateful also, we shared the same birth year.

Thanks for all you have done for our community. You emulated Philippians 2:3,4 daily.

Family: Your Beloved Husband, Daddy, G-dad, Uncle, Brother, Cousin, Friend lived a blest and full life. We honor GOD for his sharing with us what it means to live with Jesus on your mind and in your business. Let our tears be of gladness and never regret. He never complained of "hard times." He was always smiling. See you in the morning.
