“ *From the day I first met Ms. Roberta Frazier, I knew she had a wealth of knowledge and experience that would make her a perfect mentor. She was the embodiment of the Low Country with all its wonderful history and people. I brought my Mother down to meet her, my new boss. My Mom was so very impressed with her and said, "Watch her and listen to her, you will be alright." Twenty-two years later, I still think fondly of her and my Mother's words.*

“ It is with heartfelt sorrow that I extend my condolences to the family of Roberta Frasier. She was a classmate as I recall, quiet but admirable. Though she has transitioned to her final resting place, memories of her will continue in our hearts and minds. So I say my fellow classmate, Rest in Peace until we meet again in that classroom in the sky. May God comfort family and friends as we continue our journey. Classmate Vernessa Smalls C

“ Ms. Frasier was my mentor and supervisor at Haut Gap. She was an outstanding educator in CCSD. Her leadership style helped prepare me to become a confident and competent principal. She knew how to motivate me while also holding me accountable for my responsibilities and assignments.

The last time I saw her was Mother's Day weekend in 2024. She immediately recognized me, and I was so touched that she called me by name.

God has another "pearl" up in heaven!

“ Ms. Frasier, you sowed so much into the John’s and Wadmalaw Island community. You planted seeds of hope and showed us that we could go as far as we wanted if we simply applied ourselves.

Personally, you nurtured me and gave me the confidence I didn’t even know I was missing. I came to school early every day to serve as your assistant, and in doing so, you planted a seed of service in me that has lasted a lifetime.

Your impact will never be forgotten. Sleep well, Queen. You’ve earned your rest. ☐
