“ I met Rodney in April of 2012 at the west coast pool with Msc. We Instantly clicked and not too long after became Facebook buddies and stayed in contact on the daily. He even clicked with my family and became friends with my mom & sister. Very down to earth, outgoing with the most caring beautiful heart. He's touched the lives of a lot of people and will very much be missed!!! God Bless his soul and God Bless the Family!

“ To my family:
May God grant you peace. Rodney will always have fond memories in my heart. I will remember his brilliance, his smile, his soft spoken voice, a quiet man of valor. You have stood the test of life and now a warrior has gone to receive his reward. You has touched many lives and will ever be present in our spirit. Remember God promises are true, he is now present with the Lord. Sleep on Rodney and take your rest. We will miss you however we shall see you again.

“ *I worked with Rodney many years ago at the Carolina yacht club. He always had a smile on his face and was a joy to work with. I had the task of training Rodney on several of the stations at the club. His willingness to learn and great work ethic made my job easy. Rodney was reliable and a man of integrity. He loved to make people laugh and cheer them up when they were down. I will always cherish the times I got to spend with Rodney. Rest in peace my good friend. ---
