“ There aren't enough words to express how much Mr. Roger became to mean to me in the short time that I knew him. I met him at church and literally started loving him from the time I met him. I was his every Sunday prayer partner and friend. I would stand next to him holding him while praying and worshipping, I walked him in and out of the church every Sunday. I'm truly going to miss my dear friend. I l8ve you Mr. Roger. My friend and brother
