*I will miss sending you pictures of our children, grandchildren and greatgrands and telling you what is going on in their lives all the time. When we spoke about the bible and Jesus jewish roots, the one word you kept was "shalom" and after that you no longer said goodbye to anyone you would say "shalom" because you understood the meaning. So like another conversation wether in person or on the phone, Roland at this time I will sat to you "shalom", for death is not the end but the beginning...see you on that great getting up morning and Yeshua returns, the 7th and 8th day, when life begins...shalom*
