“ *When a beautiful flower finds it way into our lives, the sweet fragrance that it ignites forever lives in our heart as a constant reminder of what beauty truly is. I am so very sorry to learn about the death of your loved one Rosalyn. I pray that the special times that you shared will forever live in your hearts and that you will know how much others care and share your loss. How good to know that our loved ones are only sleeping and that very soon our heavenly father has commissioned his son Jesus Christ to wake up all those who have died! John5:28-29 Although we may miss our loved ones now, it is only temporary. All things were made possible because of the loving sacrifice of Jesus Christ. Once again please allow me to express my deepest condolences. May your hearts find the needed peace as we all await the fulfillment of all God's promises. He can not lie. Titus 1:2 Please hold on!*
