# Tribute Wall

“ *Ruthie was my favorite childhood friend. We walked to school together every day while at Simonton Elementary School. She saved me many times from bullies and kids that wanted to fight with me. She helped my Aunt Helen Howard (educator in Charleston) plan a huge celebration for my return to Charleston after college. I thought of my dear friend very often over the years. We lost touch, but every thought of her is still filled with smiles, chuckles and very fond memories.*

*With love for my best friend*
