“ *Sammy was one of the best uncles anyone could have. I will always remember the good times we shared and the knowledge you bestowed upon me. You taught me to be responsible and you also taught me the true meaning of giving. You were always concerned about the welfare of everyone else despite what you yourself were going through. You always said to me "always remember the family" and I will. I love you and miss you! Your loving nephew, Tony*

“ *I want to extend my deepest sympathy to Sammy's famiy. For almost twenty yers I workd with Sammy at Charleston County Public Workds and I and I can say without any doubt he was one of the finest person I have had the pleasure to know and work with. He was always happy and ready to cut fool. I will miss him and God bless him and his entire family. We have lost a true friend.*
