“ I'm going to miss Sandra, her compassionate ear, our spirited debates, and helping her find her keys. I sat beside Sandra for several years and worked with her for many more. She was dedicated and intent on doing excellent work. She cherished her family and spoke of you often with love.

“ *My deepest condolences to your family. Sandra was a very special person, and I will always treasure the memories I have of her. One that comes to mind is how much she enjoyed our fun Fridays at work. She loved earning tickets and wow; she could really do the twist dance like no other. She was kind and always willing to help. I am so glad to have known Sandra. She will be missed!*
