“ I had the pleasure of working with Sharon for many, many years on the birth suite at St Francis. We would talk and catch up every time I worked. She always had a smile and never failed to ask about my family. She was a light and I will miss her. I retired a few years ago, so it's been a while since I last saw her. I can hear her voice and laugh though like yesterday. Prayers for peace and comfort for her family and all of those that were close to Sharon.

“ This is so hard; Sharon was a sweet person and very down to earth. I know she will be missed. It was not long ago that the family lost Dora, Please know that God called her from her labor to rest and to fellowship with her sibling. Family know that God will give you comfort and he will heal all the broke hearts.
