“ To the Family. It was a pleasure to know and work with Shekim here at Dentistry for Children and Adolescents in Savannah GA. It is my prayer that God will continue to comfort you during this time of sadness as you cherish the memories of Shekim.

“ I have only known Ms. Crosby since August of this year. Her son, Kendal, was in my class. Even throughout her illness, she would stay on top of Kendal and made sure he did his homework and various other assignments. You could tell by her commitment to Kendal what a great mother she was. Kendal is one of the nicest and most respectful kids I have ever known, which is a direct reflection of the sweet mom who raised him. I know that she was so loved and she will be missed by so many. My thought and prayers are with Kendal and his sweet family.

“ Ms. Kim, where do I go from here? I'm not ready yet, I still can't fathom my thoughts, this is just too much, it happened to sudden.... I can't, I can't! I'm beyond hurt and sad. KENDAL....boy, boy, boy! We had so much planned and I just knew you were going to get through this. This is not fair. I promise we have Kendal for life and we hope to remain apart of his village. I'm broken and.....

“ We were total strangers who became best friends, but beyond that God blessed me with a sister and for that I am forever grateful... You gave this life a true fight, God knew you were tired and said it's time to rest. Although our hearts weren't ready, God knew what was best. You are our angel now, so fly high sis and watch over us from afar, one day we'll meet again... Don't worry, your son has a village standing with him, he'll be just fine... Until then you'll live on in our hearts💔🙏
