“ Sidney and I were first cousins. (brother & sister children) Prior to moving to South Carolina, he would visit me often on Long Island where I live. The last time I saw Sidney was prior to his moving my husband and I were going on a cruise and he came to take us to the cruise ship. We spoke every week after he returned to South Carolina. We were like sister and brother Due to the Covid virus, I was not able to attend. However, he will always be in my heart. Rest in peace and power. Much Love, Mildred Porcher Hodgson
