“ I am so sorry to learn about the death of your loved one. I pray that the many fond memories of him will always be in your hearts and minds. How good to know that soon all suffering, pain and death will be no more. We will have the chance to see our loved ones again by means of the resurrection. Do not let your hearts be troubled. Believe in the promises of God and find inner peace of mind and heart. ONce again I am sorry for your loss!
