Tribute Wall

“ I have known Mr. Whittingham for over 25 years. He was the father of my best friend. I always found joy in the way that he loved his daughter Rachelle. He was a wonderful father through our trying teenage years, the tough twenties, and the thirties and beyond. He had a way of teaching you life lessons with the most poignant and to the point words that left you in deep contemplation. I will miss you so very much. Rest easy.

“ I had the pleasure of working with Steve for the last 10 years and I am so blessed to have known him and to have called him friend. I could always count on him to put a smile on my face, whether we were talking about parts, politics, or daily news, he was always one that made me laugh because he just didn't have time for the bull. He will definitely be missed and there will always be a piece missing from our team. May God be with you and your family during your grieving process, and may you celebrate in knowing that he is dancing with our Lord and Savior. Rest In Peace my friend.
