“ My beautiful niece, tannie, it took a long time for me to to view this obituary,we were just really getting to know each other, and you reminded me so much of my mother, your grandmother, I remember me picking at you saying " oh ohh!!!" the Lucille is getting ready to come out of you, we both would laugh, I miss that laughter, I was so proud of hanging g out with my niece, and to this day it hurts me so bad knowing that ill never see or talk to you again, Tracey, you have my deepest condolences, and know that you you had a very talented, and special young lady, and that she will never be forgotten
