“ I miss you sooooo much Terrell it still doesn't seem real to me. All I can hear is your laugh when I said something funny and me picking at the way you would say "NO" or you picking at my country accent. I love and miss you and you will forever live on in my heart.

“ Terrell was a great person to be around. He was the one I called when I felt as if I weren't thinking things through and he'd challenge me on many of my decisions to help me make better choices. We could go months and at one point we went a year without speaking, but when we did, it was as if we never were apart. I miss him dearly. And to know I won't be able to hear that crazy laugh of his, saddens me even more because that's how I remember him. He always was smiling, never seen him mad. I will always remember you Terrell  
R.I.P. I love you

“ Terrell was a good person we went to school together and live in hickory shadow not that far from each other. he was a good friend he will be missed by everyone he one he knew in the neighborhood. I don't know what he was going through only he and God knew but he was one that didn't want bother anyone with his problems. I keep asking why did this happen ? He had a good future ahead of him he played football at wando high. i just want the manigault family to know he will still be around in spirit just keep your head up and I will keep the family in my prayers.
