“ *Cousin Val, Courtney, LaToya and the Myers Family, our sincere condolences to you all. It's been a while since I saw my little cousin, but when we got together - we did not miss a beat. Good fun, love, fellowship, laughter and joy. I watched Terrell grow from a youngster to a strong family man. We all have a race to run in this journey called life, and I truly believe Terrell achieved milestones and accomplished great works during his time here on earth. No more pain, no more suffering, nothing but great joy in the arms of the Lord. Sweet rest Lil Cuz.*

“ Terrell was someone I could always count on in high school, and later in my adult life. He held my daughter Julia so many times and always had a piece of candy for her. So sad to hear about his passing and how hard he must have fought.

Thanks for the memories friend and rest in peace. 🙏

“ My deepest condolences to the Myers family. I am Terrell's cousin from NYC. I spent summers with him when we were both children. He was always a prankster. My favorite memory was once we became adults. He taught my son how to swim, the military way. I will miss him so much. May God continue to bless his whole family.
