“ To the family of Terry, my prayers and deepest sympathy goes out to you. Terry and I grew up together on St. Phillip Street. She was always the same. I am sorry that we lost contact. I just happened to be strolling through the obituaries and saw this. I was in shock. May God continue to be your strength, comfort, and peace as you face the days ahead. With love and deepest condolences, Evie and Family

“ I am saddened by the passing of Terry, but I know that she is with the Lord now. I enjoyed working with Terry especially the year that our lab was being built and we worked in Columbia with them. She was an excellent worker and always working non stop, caring about her work and the integrity of the lab results. I'll always remember her laugh and her candy jar. Prayers for peace for her son and family - Renee Baker

“ Thank you Terry for all your words of encouragement. You always displayed a smile no matter what was happening around you. You took time from your schedule to check on me while I was alone in Media, Reagents and Glassware. You would always say trust God and end our conversations saying " I'm praying for you". You will be greatly missed. Thank You!!
