“ Mother Thomas you will definitely be missed my girl. I love you, We love you and thank you for being there for us all these years! You never missed a milestone. The many lessons, and countless laughs, I will miss those calls and voicemails. Also telling on my mama to you for not calling you yet lol. Ebenezer lost a gem but you will never be forgotten. Thank you to your daughter and family for sharing her with us 🙏. From Charleston and now in Texas Mother Thomas always stayed connected with us. Continue to lean on God in the days ahead and remember grief is a process so take it one moment at a time. I know your husband was glad to see you! She loved the Lord so we know she is just fine resting in his arms! I pray you continue to be our angel Mother Thomas. Love you always.
