“ Family, we mourn with you because we know you loved and miss Timmy with all your heart and there is a pain that only God can remove in your heart at this moment. However, we should take joy in knowing he is resting with our Father who is in heaven. You are and will continue to be in our prayers asking God to make each day a little easier to bear. Always cherish all the beautiful memories you have made with him and keep them in your heart and as time goes by the pain in your heart will ease and you will be able to thank God for those special years he was with us. “ Words can never express what I feel in my heart at this moment. I will miss my friend so very much. He was so much more to me than just a friend, he was my brother and my confidant. I will cherish the memories we made together for the rest of my life. I loved him but God loved him more. I pray that God will hold the family in his hands during this time of sorrow and loss. “ Hello Family, Timmy will be greatly missed. I still see the charming young boy who was always polite and would whisper in my ears, "Aunt Rosetta you are a beautiful lady." He was always playful and had a carefree spirit. Thank you Timmy, for being our daughter Carla, godfather. As we look toward the future, Reminiscing about the past; Living in the present, Enjoying memories that will last. Life is like a bed of roses, beautiful flowers with thorns along the way, learn to appreciate its beauty, and never let obstacles cloud your day. Life will bring you your share of bruises, and you will experience disappointments too; however, expect a life full of excitement, because greater is He that is in you.
