“ *I am deeply sadden to have lost someone who was so, so special to so many people. I worked with Tonya for several years when she was employed at ITT in Columbia. Former students, faculty and staff still talk about her in a positive manner because she had such a strong and influencial impact to those around her. After she left ITT, we kept in touch with one another....she was so happy to have started a new chapter in her life. To the family, be strong. She is with God now--as one of his special angels. I will never forget you Tonya. Love always.....Terri*

“ My heart and prayers go out to the family in the loss of Mrs. Carson. Words just cannot express how deeply she will be missed. I was one of the instructors at Miller Motte College, and whenever she would come into the office or the library I would sit up a little straighter. She was a class act all the way! When I would work late I would peep across the hall and her light would almost always be on. That's how she was: Steadfast, dedicated to the task, and committed to excellence. Her smile beamed and her caring for people showed. Thanks to her for her impact on my life. I will miss her and I choose to remember her in how I live my life going forward. Peace be still.

“ I send my heart-felt love to the family. I did not know Tonya, but I know someone who did know and treasured her. I pray Tonya entered God's rest knowing she had lived her best life in Jesus. May God grant the family peace and may the pain in your hearts be eased. In Jesus' name I pray.

“ Tonya and I worked together at Mille-Motte College. She always has a smile on her face no matter what the situation. She will be missed and our prayers are with the family. Psalms 46:1 God is our refuge and strength, a very present help in trouble.

“ I am sad to have to do this, but I am sending my condolences, and prayers to the family. Mrs. Carson was a strong woman, and I admired her so. She was always there when I had a problem, and she did not rest until she got to the bottom of it. I would like to say, cry no more, for she is with our God, instead celebrate the life that she lead, the life that she shared, and the love therein. Pain she knows not anymore, and I am totally sure, that she would want you all to keep smiling, during this time, for she was always an uplifter, she was always pleasant and happy. In graduating from MMC, she would be one of the people that I often think about, because of who she was, and how she was there for us students in our times of need. Prayers to you all in your time of need, keep your eyes on God, and he will see you all through.
