“ Hello, my name is Pamela Shealy. I was the first person on the scene of the accident. Mr. Mott did not suffer. I want the family to know that I am a believer in Jesus Christ our Lord and Saviour, and I prayed over him while the Angels came and took him home. He was not alone ❤️

“ Down through the years God has been good to us. He has allowed family and friends in our lives to live and leave us with lasting memories. When times like this arise we don't quite understand why or how to feel. Always rely on the one who created us all. For he is the same God that brought us to this point and the same God that will take us through this point. Tyron you will diffently be missed....you've shown this world love with just a smile or a hello!!! Rest well with God!!! Continue to watch over your family from above....May God continue to bless the Mott Family..

“ Since we were young, my cousin Tyron has been kind, giving, and loving. In recent years, I have gotten to know him better. I learned of his humor, sincerity, ability to encourage faith, and his no nonsense approach to life with God at life's center. Let us continue to pray for comfort and strength for family and friends.

We had some good laughs, that's for sure, and that's what I'll remember. RIP Tyron. You will be sorely missed.

“ *I have known Tyron since Bilo days and we worked together at Lowes Foods. I never had a manager before that really cared about you as a person, not just a co worker. Always had a smile on his face and ready to help anyway he could. Always asked if you were ok or needed anything and meant it. I will cherish our conversations and laughs we shared. RIP my friend you were one of the best!*

“ When I learned about Tyron that Morning it knocked the wind out me and I couldn't perform my work the rest of the day. I worked with Tyron when I was at Bi-lo on Leeds Avenue and Dorchester Road and at Sanagree after my leaving Bi-lo in 2017. I met up with him again at Bi-lo in Hanahan, when the Lowe's took over Tyron got me in after he went and get one of the managers but I really wasn't ready. It's just to hard to believe. Tyron you will be missed. Thanks for all you've done.

“ *I have known Mr. Tyron since 2008. I was a customer service manager with Bilo. Tyron introduced himself to me and treated me as a little sister with the upmost respect ever since. He and I also work together with the Lowes Foods store. My family really cared about Tyron. He loved my husband's barbecue deer meat lol. He was very knowledgeable in the grocery business and will be missed tremendously. He would always say Rochelle if you need anything you call me. And I did even if I didn't know where something was in the store I call him and say what aisle is that on lol. God gained a gentle giant. Rest on Mr. Tyron you will truly be missed by many even aggravating Leelee 🤪.*

He showed love, hospitality, had a caring heart and would always lend a helping hand to this family and the community of Awendaw, SC.. He will be greatly missed.*
