IS

“ *My Uncle, I miss you a lot. This man is the only real man I know. He was more of a dad to me than my one. He showed me a lot, taught me a lot, and we grew together as people. My uncle Anthony was so strong; he was my hero. He was the only person I felt I could talk to for hours and talk about my problems too. Now that my favorite person left this earth, two people left. Me and him. I love you.*

“ Bonfire!!! I Love and miss Big Loving Uncle "Antrny"! No THE between Ant and Knee. The love is Custom made! We are Family!! Big Unc is gone and it is hurtful but I hope that Family, friends and myself could move on knowing that God makes no mistakes! In times of sorrow, reach out to God's unchanging hands and BELIEVE everything will be ok! Long live a man that touched MANY souls. He truly was a servant of God and I praise God for the time we've spent together on Earth.

*Our Heartfelt Sympathy and Prayers 🙏 are with the entire Green family. Black was a wonderful friend for over 25yrs that we truly treasure in our hearts. He was a kind-spirit, generous, and lovable man with caring soul to help others in need. Just full of so much joy and laughter. We will miss Black making his famous, delicious "Red Rice" for us. His friendship meant the world to us. May He Rest in Heavenly Peace. Sending Much Love for God to give the family strength, comfort and peace during this difficult time of sorrow. ❤️*
