To: Mr. Vernon "Butter Cup" Hill

Thanks for the memories. As students at Mitchell Elementary School, we would get so excited to see you high-stepping, leading The Mighty Burke High School Marching Band on the field or in the parades! You were a master showman!

As a young man growing up, I had a chance to see you positively interact with my parents, brothers, uncles, aunts, and cousins. You definitely had a special kinship with the Ellington/Foster and Strawberry Lane families.

My crew and I will always remember your timely visits to the SC State in the early eighties for a game or a Frankie Beverly & Maze Concert!

You will truly be missed!

God's Speed, Drum major!

“ *Uncle Cup,*

You have gone home to be with the lord. We will miss you, but God must've needed a drum major and called your name. I will miss our conversations last time we spoke. My condolences to the rest of the family may we find peace in this time of grief.

Vernon, my dear cousin, was the last of the family to carry the Hill name. Our Great Grandmother would constantly say that because there were four girls and one boy. He was always upbeat and really loved life.

We didn't see each other often especially when we became adults, but when we did it was as if there was no time lost.

He was the drum major for the band and he enjoyed it. I will think of him often and can only say you tried and did the best you could through your last few weeks. Helping others was what you did. We will miss you Butter.
