“ *Ms. Vonnie and Family,  
My prayers are with you all during this time as  
your family has been through so much this  
past year. We can be thankful that God knows  
all about our troubles as the old traditional  
hymn states. May you feel God's strength, hope, peace and comfort  
in a very special way in the days and weeks to come. God bless you  
all.*

“ To my one and only Brother you were always just a phone call away. we will miss you especially as the weather gets warm and on the weekends when we would all go to momma house and sit on the porch and chill and sit and talk about the good old days and listen to earth wind and fire and your Jazz music. there is so much I can say but it would take forever and a day. if they were a perfect son and Brother you would fit that description you never gave momma any problems nor could I ever remember ever hearing you talk back to momma are Daddy. in our eyes you were the perfect Brother and uncle who was loved by many and for that I love you even more so Brother no more pain and suffering take your Rest and continue to watch and protect Us as you did when u were here with us. our Angel know that we will always love you now and for ever take your Rest my Brother. Love your Sisters Vera J. Laverne (Vonnie) Michelle, Robin and Nieces and Nephews R.I.P My Brother
