“ To be absent from the body, is to be present with the Lord...While it may seem like a loss to the ones that love you, it's a gain for God. He gained another soldier. Slim, I can see your smile. That's all I know, is that smile and kind heart. A heart so full of love. Most of all , a love for God. You encourage me so much when I went through what I went through. Everything was God when we spoke. And it was always ma this, ma that. While this hurts me, I no that God only takes what belongs to him. So for that reason, I'm going to rejoice in knowing that he got you...til we meet again.... "Much love to your family; they raised a well mannered , loveable, young man."
