“ It has been an honor knowing Ms. Williamae Ellis. She was a woman of class and could make you laugh. Our prayers and our thoughts are with you during this time. I loss my mother 2 months ago so I know what you are going through. All I can say is love each other, comfort each other and never forget to put God first. God has his loving arms around her.

“ Mrs Ellis will always be remembered by the hospitality she showed when visiting her home for the first time on a trip with her son Apostle Carl Ellis. She introduced me to real shrimp and grits with crab legs! we were in crab heaven that weekend! & were stuffed to the gill. Every time we saw her after that visit we reminisced about that dinner and she always said, come over anytime you come in town and i will cook. RIP Mrs. Ellis you will be missed.

“ *My grand auntie was always dressed to the nine in her fur coats and diamonds. She had a punky attitude that exists in all the women in our family. You lead the path for women entrepreneurship and we will forever be grateful . Love Priscillia (EVE)Bradford*
