“ *On behalf of the pastor, officers and members of Greater Middleton Chapel AMEC, we extend to the family of Bro. Willie Wright our deepest condolences. He was the oldest man of the church, 96 years old. What a blessing!*

Bro. Wright will be missed. He was a very faithful member. He was committed to the Trustee Board (pro-tem) and Church School, as the Superintendent.

Our prayers are with his family. May God be your strength, comfort and peace as you face the days ahead.

“ Bro. Wright and Sis. Wright were my 'bonus' parents. I met them in 1986 when I joined Progressive Community Church. He was one way all the time. I never heard him raise his voice. He was a sharp dresser and had a sporty walk. He had a love for Cadillacs, because that's all he drove. After learning him, and knowing that he loved chocolate cake, I would bake him his cake every year for his birthday and father's day. He worked on the Trustee Board for as long as I could remember. And his love as the Superintendent of Sunday School (church school) was his highlight on Sunday mornings. He would tell me that when he cannot do Church School no more, he wanted me to take that position. And about 3 years ago, I was appointed.

He will be missed from our 1st Sunday visits. Our condolences goes out to Clarence and Richard. Richard really took good care of Bro. Wright. We were at the hospital together on Sunday before he died. I am do glad that I got to see him- but not the way he was in the hospital. I wasn't expecting that.

We know that God makes no mistakes. It hurts. But we know that
EARTH HAS NO SORROW THAT HEAVEN CANNOT HEAL.

With love and prayers,
Shirley McPherson and family

“ I thoroughly enjoyed visiting with Mr. Willie Wright. The love that shined through when speaking about his wife, Celestine. Listening to his stories about how they met, her nursing and their son. He'd talk about his nephew Richard and his family and how thankful he was. Being a tailor and owning his own store. He always spoke highly of everyone. He was a very special soul, and I feel blessed to have met and gotten to know him.

My heartfelt condolences to his family from me and mine.
